BRANDYWOOD, Wilmington, DE

Property has received multiple offers as of 11/16, please contact listing agent with any questions Looking for a new home for the holidays? Don't miss this classic colonial in the popular Brandywood community! Original hardwoods flow from the foyer entry through the spacious living room and dining room, both with wide windows for lots of natural light. The central eat-in kitchen features solid wood cabinetry, new flooring, with neutral countertops and tile backsplash. Completing the main level, there's a wide powder room and a cozy family room with wood-burning fireplace, two closets, and sliders to the private level back yard. A hardwood staircase leads to four generously sized bedrooms with original hardwood flooring, a hallway with linen closet, and two full baths. A partially finished basement offers additional living space, storage options, and spacious laundry area. Most of the home has been freshly painted and is a blank slate for its next lucky homeowner to make it their own! While the property is being sold to settle an estate and the sellers haven't lived in for many years, it is believed that the Fireplace hasn't been used in 40 years, the Roof was replaced approximately 7 years ago, Windows have been replaced, the Furnace and A/C were replaced approximately 11 years ago, and a new breaker box was installed in 2023. Ideal location convenient to all major roadways, shopping, employers, restaurants, recreation areas, schools, and more!!!
